Annual Dissertation Progress Evaluation for Doctoral Candidates

Academic Year _____

Meeting Date _____

Student Name _____ Email Address _____

According to University of Pittsburgh's regulations and GSPIA's Doctoral handbook, meetings of the doctoral candidate and the dissertation committee must occur at least annually from the time the student gains admission to doctoral candidacy. During these meetings, the committee should assess the student's progress toward the degree and discuss objectives for the following year and a timetable for completing degree requirements.

The signatures below certify that a meeting was held with the student on this date to review student progress and discuss future objectives and timetable for degree completion.

_____ Chair/Advisor	_____ Signature	_____ Date
_____ Member	_____ Signature	_____ Date
_____ Member	_____ Signature	_____ Date
_____ Member	_____ Signature	_____ Date
_____ Member	_____ Signature	_____ Date

Please describe the student's:

1. Progress made toward the degree over the past year

2. Objectives for next year

3. Timetable for completing the degree requirements

4. Other comments
